LIVES 200 YEARS!

For more than 200 years, Haarlem Oil, the famous national remedy of Holland, has been recognized as an infallible relief from all forms of kidney and bladder disorders. Its very age is proof that it must have unusual merit.

If you are troubled with

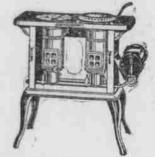

merit.

If you are troubled with pains or aches in the back, feel tired in the morning headache, indigestion, insomnia, paintful or too frequent passage of urine, irritation or stone in the bladder, you will almost certainly find quick relief in GOLD MEDAL Haarlem Oil Capsules. This is the good old remedy that has stood the test for hundreds of years, prepared in the proper quantity and convenient form to take. It is imported direct from Holland laboratories, and you can get it at any drug store. Your money promptly refunded if it does not relieve you. But be sure to get the genuine GOLD MEDAL brand. In boxes,

CAPT. CARUTHERS PRAISED

Young Norwich Member of U. S. Engineers Does Exceptional Work on Aviation Field.

A California Sunday paper of recent In war, as in peace, if the ideally

uitable is desired, California can proide it.
When a site for a training camp for when a site for a training camp for a visit of the campaign as they have searched a value of the commission was shown the valley at Alessandro, a station on the Santa Fe's Temecula branch—one of Santa Fe's Temecula branch—one of both legs broken and lost the sight of port was made Friday night. Santa Fe's Temecula branch—one of those railways with an every other day sort of train schedule.

And it was at once taken, because towhere in the country could equally avorable conditions be found. It is Captain W. Harrison Caruthers of Norwich, Conn., of the U. S. Engi-sers, who is in command of the field and supervising the work of the con-tractors, Twohy Brothers, one of the largest firms in the west.

After a thorough inspection of March aviation field Congressman William Kettner went on record as chool in America. Congressman Kettner was the guest

of Captain Caruthers this morning and spent three hours inspecting the work that is being done on the million-dollar project which is a part of the great

lar project which is a part of the great war preparation plan.
"Captain Caruthers is a capable man," said the congressman. "The work he has done there in so short a time shows hi mto be a man of re-markable ability. It will be a pleasure for me to report back to Washington just what I have seen and this means that I shall tell them that Marce field that I shall tell them, that March field is the finest flying field in America."

Y. M. C. A. to Elect.
